## **Have Coffee with Senator Sanborn!**

*Community invited to share coffee and concerns at Romeo Family Restaurant*

(LANSING) – Senator Alan Sanborn, R-Richmond will be holding another District Coffee Hour, Saturday, May 24, from 9:00-10:00 a.m. This month’s District Coffee Hour will be held at the Romeo Family Restaurant located at 66020 Van Dyke in Romeo.

Constituents from the surrounding area are invited to stop in and say “hello.” Senator Sanborn will be available to discuss issues of interest to residents of Romeo and other constituents of his northern Macomb County district. No appointment is needed – just pull-up a chair and a coffee cup.

“Spending more time with my fellow northern Macomb County residents is one of the best parts of my job,” Sanborn said. “I truly enjoy these Coffees because they are casual, and folks who might not feel comfortable stopping by the office or calling me won’t hesitate to sit down in a familiar place, share a pot of coffee and talk about what’s on their mind.”
